

BELIZE QUALIFIED RETIREMENT

Investor

INVEST, RETIRE AND RESIDE IN **belize**

The **QRP Investor** is an auxiliary component of the QRP Program that enables eligible members to **legally** engage in **business, trade, or a profession** in Belize

How to qualify?

Principal applicants must satisfy both the standard QRP eligibility requirements and the additional investment criteria:

- Must be **40+ years**
- Must **currently** receive a minimum approved retirement income of **\$2000 per month**
 - generated from a source **outside** of Belize in an approved **foreign currency** [USD, CAD, Euro & Sterling Pound [GBP]]
- Pass a mandatory **background check**
- Proof of **investment capital** of no less than **USD\$500,000**
 - must provide certified copies of supporting documentation demonstrating the acquisition of investment capital to support the long-term establishment and operation of the proposed business
 - **Cash holdings** (supported by personal or business bank statements)
 - **Bank financing or loan documentation**
 - **Stock or investment portfolio statements**
 - **Real estate or property investments** (supported by a property title or certificate of ownership)
 - **Business equipment** and other qualifying **capital assets**
- Detailed **Business Plan**
 - A comprehensive written document outlining the proposed business objectives, strategies for achieving those objectives, and the projected implementation timeline. The business plan must include but is not limited to the executive summary, products and services, marketing and financial plans
- Must provide evidence of having resided in Belize for a minimum of **90 non-consecutive days**
